APPRENTICE NATION

Supported by BT Lucozade

Skills Leaders Wanted!

Do you love presenting? Hosting? Utilising your skills and knowledge to inspire young people and influence positive change?

We're looking for our newest addition of **Skills Leader's**! For this role you must be passionate, enthusiastic, inspired to connect and mentor your peers.

In this flexible role you will be required to: define curriculum design briefs, research specific subjects, design digital or face to face learning sessions, and deliver and host engaging learning content for **Apprentice Nation** audiences of 16 – 24 year-olds.

Current Subjects we speak about:

- Wellbeing
- Diversity and Inclusion
- Core Skills for work & life
- Career path planning
- Unlocking your potential
- Social Action

Core Skill Requirements:
- Experience working/ communicating with young people
- Research and Insight skills
- Good time management
- Agility and flexibility
- Presentation/ hosting skills
- Strong team player
- Passion and enthusiasm

We particularly welcome applications from people historically from underrepresented backgrounds

If you have any questions about this opportunity, please email: jasmine@apprenticenation.co.uk
